Dear Guests,

Effective September 22, 2021, under the Reopening Ontario Act, patrons seeking access to the premises of this business must show proof of identification and proof of being fully vaccinated against COVID-19 before they can enter the area.

*** Important Announcement ***

Dear Guests,

We would like to let you know that all the events are continuing as scheduled.

Please note that we are obeying the government of Ontario's law for operating our business with the capacity limits as well as social distancing between the tables. Your cooperation is greatly appreciated in continuing wearing your face masks, as it is mandatory by the government to do so in all areas of our venue. If this is not obeyed, guests may be asked to leave the premises.

The doors to the venue will open at 7 pm and all guests are requested to leave the area before 11 pm, due to the newest announcement on the COVID restrictions.

Our program was initially planned for doors to open at 8pm and for the events to conclude at 11:45 pm. this is now altered for the program to begin with doors opening at 7pm until 10:45pm.

Please note that all the newly added changes are as requested by the government of Ontario in their provincial announcement on Friday December 17th.

Additionally, your proof of both vaccinations and a piece of ID (hard copy, not an image) is required to enter the facility.

Thank you
