Dear fans & friends,

First and foremost,

We would like to thank each and every one of you for your patience and understanding during this unprecedented time.

We, like many other event organizers, attempted to postpone and find a safe time where we could all be together and laugh, but unfortunately given the current climate we have made the difficult decision to **cancel** the show.

Patrons who purchased tickets from eventyab.com can receive their refund by following the procedure specified below.

From all of us at New Arts Canada, and Team Maz we wish you all a safe rest of 2020 and hope to see you all very soon.

Refund Procedure (PLEASE READ CAREFULLY):

Since the payment processing platform, PayPal, does NOT approve any refund request after 180 days of purchase, we have to E-Transfer the refund amount manually via bank E-Transfer. Therefore, to ensure that you will receive your refund, please send us the following info:

- **Time of the event (5 PM or 9 PM)**
- **Your Complete Name**
- **Your Email Address to Receive E-Transfer**

Considering the volume of work required and the unforeseen situation, please note that EventYab will **NOT be able to reply back** on your refund request emails. Though, this does not mean we overlook your request. Starting from the time you send us the requested information, the refund procedure begins and it should take **at least two business weeks**.

Please avoid sending duplicate requests and/or using different email addresses to request for the same refund. These types of action impose unnecessary burdens on our limited resources and only elongate the process, unfortunately.

Please note that **you will be refunded for the face value of your ticket(s) minus a refund processing fee of \$5.00 CAD**. For example, if you had paid for two \$50-tickets plus some fees (PayPal Payment Processing and convenience fees) in a single transaction, you would be refunded for a total of \$95.00 CAD. This is mainly due to the fact that PayPal Payment Processing fees are not refundable by PayPal after 180 days of purchase, and there are extra costs associated with manually refunding tickets

using the bank E-Transfer.

Your understanding and patience during this difficult time are highly appreciated.
